The beatles

Généré le 02/07/2026 | BPM : 72

[Intro]

[verse 1]

I look at you all, see the love there that's sleeping
While my guitar gently weeps
I look at the floor and I see it needs sleeping
Still my guitar gently weeps

[refrain 1]

I don't know why nobody told you
How to unfold your love
I don't know how someone controlled you,
They bought and sold you

[verse 2]

A look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weeps

[Instrumental 1]

[refrain 2]

I don't know how you were diverted
You were perverted to
I don't know how you were inverted
No one alerted you

[verse 3]

I look at you all see the love there that's sleeping
While my guitar gently weeps
Look at you all
Still my guitar gently weeps

[instrumental outro]
